

Religious and Moral Education Policy at East Craigs Primary School

Religious and Moral Education is part of our School Improvement Plan this session. We are working with cluster colleagues to produce a final policy. Below is some information that you may find helpful.

Vision

At East Craigs Primary School we aim to promote creativity, successful learning, teamwork and responsible attitudes in a positive and caring environment, while actively contributing in our community.

'We aim to meet the needs of all children, and to listen to, and value the contribution of the whole school community'

We aim to promote the spiritual development of all pupils.

It is a requirement that schools share with parents the intended Religious Observance assemblies to be held each session.
